 Technical Workshop on Monitoring and Evaluation Framework
 1 to 2 September 2021**

Background

The Ministry of Basic, Higher, and Technical Education (MBHTE) is in the process of crafting Bangsamoro Education Reform and Development Plan (BERDP) 2035 – a medium to long-term education sector development plan that will provide a comprehensive framework in the formulation of the MBHTE’s priority programs.

Earlier this year, a series of preparatory workshops had been conducted including the introduction of the education sector development structure and processes.
