SUBJECT : **CONTEXTUALIZATION OF BASIC EDUCATION RESEARCH**
MANAGEMENT GUIDELINES FOR THE MBHTE

DATE : September 16, 2021

1. Since 2007, a research agenda of the Basic Education Sector has been implemented through a funding support called Basic Education Research Fund (BERF). This research fund is coupled with the Research Management Guidelines (RMG). Both are provided by the Department of Education Central Office and implemented by the Regional Research Committee and its counterparts Division Research Committees. With the block grant for BARMM, the education ministry ceased to receive this research fund. Nevertheless, implementation of research agenda in Basic Education cannot be stopped as it is a significant thrust, we strengthen if we want to be at par with national and the international standard of education delivery.
2. At present, the Ministry of Basic, Higher and Technical Education's Office of Basic Education, through the Regional Research Committee, is taking extra miles for the continued implementation of the said program. As an initial step, previously issued Research Management Guidelines (RMG) will be contextualized to be more appropriate for use in the region. This will be done through a writeshop where the RRC and SDRC will work together. The contextualized RMG is a prerequisite for the conduct of other activities related to the ministry's research agenda.
