SUBJECT : **UNIFIED EDUCATION MANAGEMENT INFORMATION SYSTEM
 DEVELOPMENT WORKSHOP AND SHORT TO MIDTERM STRATEGIC
 PLANNING**

DATE : October 7, 2021

1. The Ministry of Basic, Higher and Technical Education's (MBHTE) four (4) subsectors, under the Bangsamoro Education Code of 2021, are mandated to promote and protect the constitutional rights of all to quality and accessible education at all levels and to establish, maintain and support a complete, adequate, and integrated system of education relevant and responsive to the needs, ideals and aspirations of the Bangsamoro people.
2. The education system in BARMM is unique in such a way that it integrates all the sectors and levels of education from basic to higher and technical/vocation with Islamic values education delivered through formal and informal learning institutions including the *madrasahs*. This integrated education system requires an Education Management Information System (EMIS) that unifies data at the subsectors to enable the tracking of a BARMM learner as it moves in the continuum of the education system; it would also provide a "whole of systems" perspective of the BARMM education system.
3. Committed to MBHTE Unified EMIS, **the Planning, Policy and Research Division, through the Education Management Information System Section, will be conducting a Unified EMIS workshop on October 13-18, 2021 at Pasig City.**
