 Control No. 2022-01-013

1. Consistent with the official pronouncement of President Rodrigo Roa Duterte on the gradual face-to-face opening of School Year 2021-2022 on September 13, 2022 pursuant to Republic Act 11480 (an Act amending Section 3 of RA 7797), MBHTE conducted School Readiness Assessment (SRA) all public schools offering basic education in BARMM.
2. The SRA aims to measure the readiness of schools and personnel for the opening of the school year 2021-2022 and to determine necessary interventions for schools/personnel that would ensure they are better prepared for the new school year. The result of the SRA will enable the schools as well as the Ministry to design initiatives and strategies that will ensure all schools are ready and supported to continue to provide quality education services to all learners in BARMM.
3. MBHTE recognizes the importance of private schools' participation in the gradual face-to-face opening of schools in the region. Therefore, interested private schools are encouraged to send letter of intent to MBHTE regional office to facilitate the administration of SRA intended for private schools. Identification of School SRA focal person to take lead in the actual conduct of the SRA is also encouraged.
4. MBHTE will use Open Data Kit (ODK) in the actual conduct of the SRA. The result of the SRA will serve as bases for the Ministry in identifying qualified private school to participate in the gradual face-to-face opening of schools.
5. The Ministry SRA Focal person will orient the schools' focal persons on the use of the tool.
6. For immediate dissemination.
