1. This is in line with the DepEd Task Force COVID-19 (DTFC) Memorandum No. 604 dated 28 January 2022, The Department of Education recognizes that the vaccination of the pediatric population is not only an effective strategy to eventually put an end to the COVID-19 pandemic but also an essential component of the ongoing efforts to accelerate the safe resumption of the face-to face learning modality.
2. Consistent with **DepEd Task Force COVID-19 (DTFC) Memorandum No. 557** titled *Strong Support for Pediatric Vaccination Against COVID-19*, which has been approved by the Secretary particularly for the vaccination of learners aged 12-17, the DTFC enjoins **all DepEd teaching and non-teaching personnel to extend similar support for the vaccination of children aged 5-11**.
