SUBJECT : **WORKSHOP ON DEVELOPMENT OF ASSESSMENT TOOL FOR CENTER OF DEVELOPMENT (COD)/CENTER OF EXCELLENCE (COE) READINESS**

DATE : October 7, 2022

- As stated in the CMO 55, s. 2006 (Revised Policies and Standards on the Centers of Excellence Project), "The Centers of Excellence (COE) project is an inherent mandate of the Commission on Higher Education as outlined in Republic Act 7722". Purposively, the creation of the Center for Development (COD) and COE in our locality strengthens and further improves the quality of the CODs and COEs to the level of our neighboring countries.
- As such, the Declaration of COD and COE is an indication of the excellence of the Higher Education Institutions (HEIs) in their curricular program offerings.
- Quality education may also be achieved if the HEIs are compliant with the set standards for all areas of evaluation. It is believed that the Ministry of Basic, Higher and Technical Education (MBHTE) assures that quality education is being delivered by all HEIs within its jurisdiction through the Higher Education Sector as the implementing body.
- Higher Education is mandated to elevate the quality of education and the status level of all HEIs in BARMM to produce quality and competitive graduates through monitoring, evaluation, and assessment of their performances.
- Anent this, a workshop on the **Development of an assessment tool for COD and COE readiness** will be conducted at Green Leaf Hotel, General Santos City. The specific date of the activity will be finalized and announced through a subsequent memorandum and may be subject to changes depending on the needs and urgency of the office.
