SUBJECT : AMENDMENT TO THE MBHTE MEMORANDUM ORDER NO. 792, S. 2022
AND THE IMPLEMENTATION OF FULL 5-DAY IN-PERSON CLASSES IN
BARMM

DATE : October 26, 2022

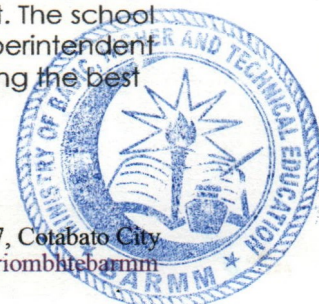

1. This has reference to the issued MBHTE Memorandum Order No. 792, s. 2022 dated July 18, 2022, re **MBHTE-BARMM School Calendar and Activities for the School Year 2022-2023**.
2. Based on the results of the field monitoring and consultations with the Schools Division Offices (SDOs) and some school principals and administrators, there are schools that are ready to implement the **full 5-day in-person classes**. However, there are schools, having unprecedented increases in enrolment that manifested difficulty in implementing a full 5-day regular classes. Thus, the Ministry deemed it necessary to amend **paragraphs 15 and 16 of the MBHTE Memorandum Order No. 792, s 2022**:

Given school-level realities, the Ministry enjoins all School Divisions to consult and identify schools who may opt to design class programs for the Second Quarter based on the options below:

Option 1 Full 5-day in-person classes (Regular class program);

Option 2 4-day in-person classes with .5 day for learning recovery programs and .5 day for school reflection/LAC sessions/planning (Transition class program);

3. All schools, including private schools, shall consult with their stakeholders and collectively decide on the best option that the school shall implement. The school shall submit a written request addressed to the Schools Division Superintendent (SDS) highlighting the collective decision of the stakeholders in choosing the best

option for the school, the teachers, and the learners. The SDS shall endorse the list of schools, with corresponding applicable options for each school, for approval of the Director General for Basic Education.

4. However, all schools should prepare to implement full 5-day in-person classes when classes resume on 4 January 2023 and shall continue to be implemented until the end of the School Year.
5. Affirming further, Enclosure 1 Item V – General Guidelines Paragraph 10 of the MBHTE Memorandum Order which states that *“No inspections, tools, or any additional requirements to re-open schools and to implement 5 days in-person classes shall be required, except for the compliance with the usual pre-pandemic regulatory permits and licenses, as required by law or ordinances”*.
6. Likewise, the schedule of the First Quarter break and In-Service Training for Teachers from November 7-13, 2022 as stated in Enclosure No 2 of the MBHTE Memorandum Order is adjusted to **December 12-18, 2022**.
7. Given this adjustment, schools shall continue to hold classes until December 9, 2022.
8. All other provisions of the MBHTE Memorandum Order No. 792, s. 2022 shall remain effective unless otherwise amended by the proper authority.
9. For information, guidance, and compliance.
