 Minister

SUBJECT : **PROJECT SCINING: CULTIVATING INGENUITY, CREATIVITY AND AWARENESS THROUGH EXPERIENTIAL LEARNING, INNOVATIONS AND PROMOTIONS**

DATE : 03 NOVEMBER 2022

1. The Technology Application and Promotion Institute of the Department of Science and Technology will partner with the Ministry of Science and Technology for their project entitled "Project SciNing: Cultivating Ingenuity, Creativity and Awareness through Experiential Learning, Innovations and Promotions" within the last quarter of CY 2022. This project involves the documentation of the conduct of a special Invent School Program (ISP) in a target area, the output of which will be a documentary/film that highlights the convergence of science and art viewed through the perspective of the youth in the countryside.
2. Based on the screening criteria, the organizers have chosen the province of Basilan as the location for the conduct of the said activity given its scenic views and vibrant culture. The activity is targeted to be conducted on **November 5 to 14, 2022** along with the Invent School Program (ISP) for High School students in the province.
3. In line with this, 34 students and 16 teachers from 17 different high schools within the province of Basilan will be involved in this activity. Three students, among

the participants, with special stories involving science and technology will be featured in the documentary/film along with their respective community.

4. Lastly, the production team will be roaming around the island capturing the beauty of the province. The sites will be determined together with the Provincial Tourism Officer of Basilan.
5. Attached herewith is the list schools which are directed to participate in the Invent School Program (ISP) which will be held on **November 8 to 11, 2022 at MPW Convention Hall, Bangsamoro Government Center, Sta. Clara, Basilan.**
6. For further details, you may contact our TAPS staff, Mowalim Kalim Jr., through mobile number, 09274609207 or you may email us at [taps.mostbarmm@gmail.com](mailto:taps.mostbarmm@gmail.com). Thank you for your usual support of MOST's programs and projects for the youth.
7. For information.

Dear **Minister Iqbal**:

Assalamualaikum Warahmatullahi Wabarakatuh.

The Technology Application and Promotion Institute of the Department of Science and Technology will partner with the Ministry of Science and Technology for their project entitled “Project SciNing: Cultivating Ingenuity, Creativity and Awareness through Experiential Learning, Innovations and Promotions” within the last quarter of CY 2022. This project involves the documentation of the conduct of a special Invent School Program (ISP) in a target area, the output of which will be a documentary/film that highlights the convergence of science and art viewed through the perspective of the youth in the countryside.

Based on the screening criteria, they have chosen the province of Basilan as the location for the conduct of the said activity given its scenic views and vibrant culture. The activity is targeted to be conducted on November 5 to 14, 2022 along with the Invent School Program (ISP) for High School students in the province.

In line with this, we would like to inform you that 34 students and 16 teachers from 17 different high schools within the province of Basilan will be involved in this activity. Three students, among the participants, with special stories involving science and technology will be featured in the documentary/film along with their respective community. Lastly, the production team will be roaming around the island capturing the beauty of the province. The sites will be determined together with the Provincial Tourism Officer of Basilan.

We would also like to **request your good office to issue a Memorandum Order** for schools in the attached list to participate in the Invent School Program (ISP) which will be held on November 8 to 11, 2022 at MPW Convention Hall, Bangsamoro Government Center, Sta. Clara, Basilan.

For further details, you may contact our TAPS staff, Mowalim Kalim Jr., through mobile number, **09274609207** or you may email us at **taps.mostbarmm@gmail.com**.

Thank you for your usual support of MOST's programs and projects for the youth.

Very truly yours,

**ENGR. AIDA M. SILONGAN, MAPDS**  
Minister
