SUBJECT : BASIC REFRESHER COURSE ON QUANTITATIVE/QUALITATIVE RESEARCH

DATE : November 8, 2022

1. Among the priority programs of this Ministry is ensuring that the Basic Education Research Agenda responds appropriately to various teaching-learning challenges at the schools. The conduct of research in schools (Basic/Action) is an applicable way of responding to emerging issues that support crafting certain policy objectives and directions of Basic Education.
2. To ensure that our research managers at the Division and the Regional Basic Education Research Committee are updated and efficient in terms of providing Technical Assistance at all levels, a **Basic Refresher Course on Quantitative/Qualitative Research** will be conducted on **January 8-13, 2023** in Davao City (specific venue shall be identified and communicated directly to the participants).
3. The conduct of Research Training on Quantitative/Qualitative for the Basic Education Research Committee (BERC) and Schools Division Research Coordinators (SDRC) is a capacity building measure in improving and strengthening the capacity among its field implementers. BERC and SDRC need to develop these analytical skills in order to create a strong team capable of providing coaching and mentoring among our teachers interested in the conduct of research in the schools. In addition, this training shall serve as the ultimate basis for our BERC/SDRCs to fully provide technical assistance to our teachers in the field thereby improving the MBHTE-Basic Education research output and eventually increasing our advocacy on various research-related activities.
4. Travelling expenses including food and hotel accommodation shall be charged to the regional funds subject to the usual accounting and accounting rules and procedures.
5. Should you have concerns, kindly contact Ms. Dayan Maruhom at mobile no. 0916-763-0388.
6. For information and compliance.
