Assalamualaikum! May the peace and blessings of Allah be always with you and the people of Mindanao.

For the past seven years, Chairman Lee Man-hee and HWPL's friendship with Chief Minister Ebrahim and the Moro Islamic Liberation Front has been fruitful as we achieved milestones for peace together. Be pleased to know that as BARMM's valued partner, Heavenly Culture World Peace Restoration of Light (HWPL) is one with you and your MBHTE constituents in achieving our shared goal - to have MBHTE's 4th Foundation Anniversary Celebration of BARMM, a great success story.

How can HWPL have its meaningful share? It is an honor to share HWPL's peace advocacy with you. HWPL's humble contribution to peace-building efforts in the Philippines specifically in Mindanao, which has been advancing since 2014, extends to you for a well-timed request to the MBHTE community.

“To PROMOTE ‘Great Legacy: A Peace Documentary’ and
to WATCH this documentary film about the “Mindanao Peace Story”
– THRU a MEMO from your good office.

HWPL understands that the subject and detailed content of your MEMO would be within the bounds of MBHTE protocol.

The documentary film, produced by SMV Media group, a broadcast company based in Seoul, South Korea, was stirred by HWPL's noble work for peace through HWPL Chairman, Lee Man Hee. Chairman Lee aims to inspire the people to do the work of peace as a shared responsibility of humanity, as one heart, one family, and one world for peace. Many surprising changes have occurred in the Philippines and the seed of peace Chairman Lee planted in the pure hearts of the Filipino people has come to fruition throughout the country, starting in Mindanao and now radiating across the globe.

As Chairman Lee is scheduled to re-visit Cotabato City on the 26th of January 2023 for his reserved schedule with the Chief Minister and the **BARMM**, may your encounter with Chairman Lee be marked with your fruitful testimony of having directed MBHTE to WATCH ‘Great Legacy: A Peace Documentary.’

The premise of HWPL's aforementioned request is keeping up with one of the key features of your Education Code . . .

*“The Bangsamoro Education Code is a crucial step in promoting, affirming,
and strengthening the Bangsamoro Peoples’ distinct historical identity
and the long struggle to chart their destiny as a people and their ambition
to build a future that all can live together in justice and peace.”*

May HWPL's request merit your favorable response.

Sincerely yours,

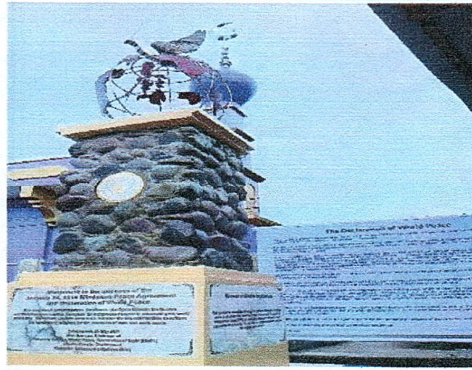

Soo Oh
Director
Heavenly Culture, World Peace, Restoration of Light (HWPL)

A message to the Global Peace Family

“Coincidentally, life comes with full circle today as our friendship with HWPL goes all the way back in 2015.

HWPL, Chairman Man Hee Lee, invited me as the Chairman of the MILF, at that time engaged in peace negotiation with the Philippine government, to their annual peace conference in South Korea. I accepted and attended such conference for the first time and that started our engagement with HWPL.

Our continued engagements is of great value in promoting the spirit of peace as a faith of bringing the hearts of citizens who want peace and ending 50 years of conflict in the private sector.

Hence, we are extremely joyful to be part of this beautiful community. To our dear friend, Chairman Man-hee Lee, and to the rest of this wonderful community, thank you for believing in the Bangsamoro cause the possibility of lasting peace and your work of making this world a better place. Thank you so much.”

A message to those who celebrate DPCW

"I would like to congratulate our dear friends from HWPL for the 5th annual commemoration. As many of you know, our world in the BARM is centered on building sustainable peace and development for the Bangsamoro and, in effect, the rest of the Philippines. That's why we know a thing or two as to the importance of your commemoration today. Without peace there can be no progress and without progress all will be lost.

HWPL has been a good friend to all of us during the height of the GPH-MILF (Government of the Philippines-Moro Islamic Liberation Front) peace process and our shared work has truly benefited the people of Mindanao and the Philippines.

I look forward and push forward for more engagements with all of you in the future. And of course, to everyone joining us today the road to peace is never perfect, it will always be a work in progress and it needs all of us to make it work.

I support the Declaration of Peace and Cessation of War. We are one!

An Interview with Korean Journalists

"When he visited us on January 24 in our camp, we declared the day as 'Peace Day' and then, we agreed to establish, to erect a peace monument in our camp... This is to symbolize our cooperation in working for world peace. So we also want that, not only in the Bangsamoro but there will be peace in the entire world."

"As a gift I handed to Chairman Lee, we call it 'sickle'... This was the gift from us to symbolize that we are willing to work with Chairman Lee on bringing peace in the Bangsamoro homeland and the entire world."

"I am looking forward to see Chairman Lee and visit us again here in Mindanao."
