SUBJECT : **ADMINISTRATION OF THE NEEDS ASSESSMENT FOR ISAL TEACHERS AND PRIVATE MADARIS TEACHERS**

DATE : February 7, 2023

1. The Ministry of Basic, Higher and Technical Education (MBHTE), through the Directorate General for Madaris Education (DGME), is in collaboration with the Australian Government through Education Pathways to Peace in Mindanao (Pathways) and the Philippine National Research Center for Teacher Quality (RCTQ) on the project *Learning Development (L&D) and Learning Resource (LR) Systems to Support Teacher Development in Madrasah Education*. The project aims to design and trial systems to support the development of comprehensive, inclusive, and adaptive needs and standards-based Teacher Development plans, program interventions, and resources for Islamic Studies and Arabic Language (ISAL) and private madaris teachers.
2. Part of the project implementation is the conduct of a Needs Assessment which is one of the sub-systems in the L&D System for determining the learning and development needs of ISAL teachers and private madaris teachers. The results of the needs assessment are the bases for identifying, planning, designing, and implementing of L&D interventions.
3. In line with this, a needs assessment through a survey shall be conducted with the ISAL teachers, both from public and private madaris, and K-3 teachers from private madaris in all schools divisions from February to March 2023 (see **Annex A** for the list of public schools and private madaris participating in the needs assessment).
