MOHAGHER M. IQBAL
 Minister

Control No. 2023-02-069

SUBJECT : **ONE MBHTE INFORMATION SYSTEMS STRATEGIC PLAN (ISSP) ORIENTATION AND WORKSHOP**

DATE : February 9, 2023

1. The **One MBHTE Information Systems Strategic Plan (ISSP)** is a 5-year roadmap that contains the Ministry of Basic, Higher and Technical Education's (MBHTE) overall Information and Communications Technology (ICT) strategies which involve medium-term (3-5 years) planning for its ICT thrusts, strategies, and programs for development. It serves as a framework for the Ministry's intention to strategically use the ICT to help achieve its vision, mission, and goals. It aims to position and rationalize ICT as strategic resource in the Ministry's path to more effective and efficient delivery of governance functions and education services.
2. Consequently, the MBHTE will be conducting a **One MBHTE ISSP Orientation** on February 15-19, 2023 (inclusive of travel dates) at Greenleaf Hotel, General Santos City. The activity is designed to provide participants with concepts, techniques, and frameworks on how to formulate a solid ISSP that is directly linked to the agency's mission, vision, and goals.
3. Moreover, it is intended to orient the Ministry's Information System Planner, IT/ICT/MIS Team, key officers/functional supervisors, and other key staff who will be involved in the drafting and finalization of the **One MBHTE ISSP**.
4. For information and compliance.
