SUBJECT : INVENTORY OF LEARNING MATERIALS (LM), TEACHING MATERIALS (TM), AND PROFESSIONAL DEVELOPMENT (PD) RESOURCES IN SELECT MADARIS SCHOOLS DIVISIONS

DATE : April 28, 2023

1. The Ministry of Basic, Higher and Technical Education (MBHTE), through the Directorate General for Madaris Education (DGME) is working in collaboration with the Australian Government's Education Pathways to Peace in Mindanao (Pathways) and the Philippine National Research Center for Teacher Quality (RCTQ) on the project **Learning Development (L&D) and Learning Resource (LR) Systems to Support Teacher Development in Madrasah Education**. The project aims to design and trial systems to support the development of comprehensive, inclusive, and adaptive needs- and standards-based Teacher Development plans, program interventions, and resources for ISAL and private Madaris teachers.
2. One of the project's components, Component A: LR Systems Design and Trial, aims to strengthen teacher and learning resource development and distribution at the division and school levels; enhance the development of and access to quality teaching and learning materials through the application of inclusive guidelines and processes; and develop ICT-enabled solutions in the region, divisions, and schools to support the strengthening of the LR system.
3. In line with this, **an inventory of Learning Materials (LM), Teaching Materials (TM), and Professional Development (PD) Resources in select Madaris divisions are requested**. This is to collect information on the available resources of public schools and private Madaris to strengthen their development and distribution and to address gaps regarding LM, TM, and PD resources. The inventory of resources shall be conducted in all schools within Cotabato City Division, Maguindanao I Division, and Maguindanao II Division from **May 1 to May 25, 2023**.
