1. The Ministry of Basic, Higher, and Technical Education (MBHTE), I am honored to invite your esteemed office to the **launch of the Bangsamoro Education Management Information System (BEMIS), Inclusive and Supportive Center of Learning (ISCL) and MBHTE Website on May 23, 2023 (Tuesday) in Cotabato City and South Upi, Maguindanao Del Sur.**
2. These three (3) projects aim to assist the Ministry's reform agenda towards quality and inclusive education. The Ministry developed these initiatives with technical support from the Australian Government through the Education Pathways to Peace in Mindanao Program and their implementing partners.
3. BEMIS supports MBHTE's policy analysis, monitoring and evaluation, program management, and decision-making processes. Furthermore, it promotes transparency and accountability for all sectors and levels of the Bangsamoro education system.
4. The **Inclusive and Supportive Center for Learning (ISCL)** is a model of a learning center and hub for inclusive education services where all learners can access relevant and

6. The Ministry aims to launch these innovations as part of our commitment to deliver an efficient and effective education governance and services in BARMM. Due to the significance of this event, we require your attendance as a showcase of support to MBHTE's education reform programs.
