SUBJECT : **BENCHMARKING FOR DALMET SPORTS COMPLEX**

DATE : June 15, 2023

1. The Ministry of Basic, Higher and Technical Education (MBHTE), through its Education Facilities Section (EFS), is mandated and tasked with the supervision of the implementation of all projects relative to education facilities and other infrastructures.
2. Consequently, the conceptualization of the Development for Actuation of Learning, Management, and Erudition Training (DALMET) Sports Complex is underway with the crafting of its Feasibility Studies and ongoing strategies in expediting its implementation this year. This conceptualization through visitation of various existing sports complexes of known universities and institutions such as the University of Philippines – Diliman Sports Complex, New Clark City Sports Complex, and Philippine Sports Commission will be participated by the Bangsamoro Sports Commission (BSC), Ministry of Environment, Natural Resources and Energy (MENRE), Ministry of Public Works (MPW), and the Bangsamoro Planning and Development Authority (BPDA).
3. This project is one of the priorities of the BARMM and have allotted PhP 100,000,000.00 for the aim of bringing to existence something that is new in the region, likewise to create a sports complex that will be of international standard that is able to cater the demand of an increasingly large number of sports activities as well as athletes since this project is not only confined in serving the constituents of this region but also those of outside BARMM as we envisioned that the completion and operation of the same will boost our economy and tourism status.
4. In relation to the foregoing, the ministry, together with other ministries and offices, shall conduct **benchmarking for the DALMET complex**. The main objective of this activity is to gather technical data in supporting the planning, designing, and

conceptualizing of the DALMET Sports Complex as well as to establish measures in the construction of the sports complex after comparing it to the best and most standardized sports complex in the National Capital Region (NCR). Such infrastructures in the NCR will serve as an example in such a manner that we can emulate and adapt the quality of their amenities, and facilities for the DALMET Sports Complex.

5. The schedule of the activity will be on **June 25-28, 2023**.
6. Transportation and per diem of inspectors and validators shall be charged to the available fund sources in accordance with the existing accounting and auditing rules and regulations.
7. For information, guidance, and compliance.
