SUBJECT : **TRAINING OF SCHOOL TRAINERS ON LEARNING DELIVERY**

DATE : July 14, 2023

1. Moral governance invites all in the Bangsamoro government to do righteous deeds in all affairs, particularly in the dispensation of one's duties and functions. It is one of the overarching policies of the BARMM government, enjoining all units to inculcate the principle of moral governance (Bangsamoro Parliament Resolution No. 252, s. 2022). Moreover, moral governance is found in many provisions of the Bangsamoro Education Code (Bangsamoro Act No. 18, s. 2021). It shall be applied at all levels in the education system (Art. 1 Chap. 2 Sec. 8 [I]), and in implementing school-based management, schools shall be anchored on moral governance (Art. 6 Chap. 6 Section 86).
2. The Code defines moral governance as governance that upholds ethical and legal principles, practices, and behavior in managing the education system; (Article 1, Chapter 2, Section 9). Integrating moral governance in the different facets of the education system, the Ministry of Basic, Higher and Technical Education (MBHTE) formulated the moral governance in education (MGE) operational framework used as the conceptual framework in this study.
3. Moral governance is a brand of governance that is unique to the BARMM government in general and the MBHTE in particular. It is seen as the key to transforming Bangsamoro society. Chief Minister Ahod B. Ebrahim emphasized that it is through unity, cooperation, and strong commitment to remain true to our oath of moral governance that we are able to achieve milestones and overcome challenges after challenges (Bangsamoro Information Office, 2022).

4. The MGE is one of the most important elements in transforming education by addressing long-standing challenges that have been affecting generations of learners in the Bangsamoro. Overcoming these challenges and effecting positive change in education cannot be done by doing the same things over and over or by simply maintaining the status quo. These require going beyond the business-as-usual mindset that perpetuates the situation where more learners are pushed out of the system and those who remain in the schools do not benefit from quality learning. It is thus inevitable for the MBHTE to look for innovative solutions to catalyze new ways of thinking, new pedagogies, a new set of values and attitudes, and new ways of delivering education services as it fulfills its mandate to establish an education framework that is relevant and responsive to the needs, ideals, and aspirations of the Bangsamoro people (Article 9, Section 16, RA 11054).
5. In aspiration to inculcate and implement Moral Governance in the Education Service Learning Delivery a **5-day School Leaders' Training Workshop on Improving Education Service Delivery through Moral Governance in Education** shall be conducted from **July 16 to September 2, 2023** in **Davao City**. Specifically, the activity aims to:
 - a. present the Historical narrative of the Bangsamoro highlighting development of educational systems;
 - b. determine the root causes of the challenges and problems being faced by schools in delivering quality education;
 - c. introduce the MGE as the key to improving education service delivery;
 - d. formulate school-based visions anchored on Moral governance;
 - e. identify desired attributes (values, attitudes, norms, characteristics) required at the personal, professional, and school level by applying the MGE in different real-life scenarios i.e. adding non-existent learners in the class record, liquidating MOOE funds using fictitious receipts, finishing the lessons even when learner are not learning, doing nothing with learners who are not in school, doing irregular practices during elections, etc.; and
 - f. organize a network of MGE practitioners who will support each other in instituting reforms that will improve education service delivery in the Bangsamoro.
6. The training shall be participated by school heads and selected outstanding teachers from public schools of BARMM (see attached list of participants per batch).
7. All expenses incurred in this activity shall be charged to the Ministry's School-Based Management Operations Fund.
8. Please be guided by the following schedules:
