SUBJECT : **CONDUCT OF MID-YEAR PROGRAM IMPLEMENTATION REVIEW (MPIR)
 OF THE DIRECTORATE GENERAL FOR BASIC EDUCATION**

DATE : July 10, 2023

1. Public policy decisions should be based on the evaluations of programs that have been implemented with quality. Otherwise, the relative value and cost-effectiveness of alternative programs cannot be determined. This set the core foundation and importance of Program Implementation Review. It is the process of reviewing the project, making changes to avoid problems encountered previously, and copying things that went well.
2. Consequently, the Office of the Directorate General for Basic Education's (DGBE) Monitoring and Evaluation (M&E) Section will conduct a **Mid-Year Program Implementation Review** on **July 19-22, 2023** at the Island Garden City of Samal (specific venue shall be communicated directly to the participants).
3. The activity aims to review the implementation of activities under GAAB 2021, 2022, and 2023, and eventually identify success stories, gaps, challenges, and thereby formulating recommendations to address bottlenecks in the implementation.
4. Specifically, the activity aims to:
 - a. collect recent accomplishment reports of the implementation of programs and activities under GAAB 2021-2022 and the First Two Quarters of GAAB 2023;
 - b. determine the status, gains, gaps, and challenges in the implementation of the PIP 2022 and the First Two Quarters of GAAB 2023;
 - c. solicit recommendations for the betterment and on-track implementation of the PIP 2023;
 - d. review the BDP-BERDP-BEDP outcome for program alignment;
 - e. review the M&E Tools and processes for PIP implementation;
 - f. review the M&E Plans for the PIP 2023; and
