SUBJECT : **WORKSHOP ON THE DIVISION MONITORING, EVALUATION, REPORTING AND ADJUSTMENT (DMERA)**

DATE : July 20, 2023

1. Monitoring and Evaluation (M&E) is a continuous management function to assess if progress is made in achieving expected results, to spot bottlenecks in implementation, and to highlight whether there are any unintended effects (positive or negative) from a project implementation plan, program, and its activities.
2. The launching of the Bangsamoro Education Reform Development Plan (BERDP), the Bangsamoro Development Plan (BDP) 2023-2028, and the DepEd Basic Education Development Plan with its M&E Framework need a functional M&E System in the MBHTE Basic Education Directorate that will tremendously affect the performance of the schools division offices (SDOs) as this will urge performance and continuous improvement. This will propel all the SDOs and schools to upscale their performances and strive towards achieving their targets and desirable outcomes.
3. In this aspect, the M&E Section of the MBHTE Basic Education will see to it that regular audit performance report will be done to maintain the surge towards productive output and milestone achievement of each SDOs and schools.
4. One of the audit performance reporting systems that will be in-place is the Monitoring and Evaluation Reporting and Adjustment (MERA) System. It is both a strategy and a mechanism, participative and collaborative, and involves the collection, validation, analysis, and reporting of appropriate, relevant, and accurate information necessary for the adjustment of work plans and strategies.
