SUBJECT : **MOST's CAPACITY BUILDING FOR STEM SCHOOLS AND TEACHERS**

DATE : 16 AUGUST 2023

1. The Ministry of Science and Technology is mandated to set direction in improving access to quality education through the Science Education Scholarship and Grants Division's program; Capacity Building Project for STEM Schools and Teachers: Training for Science and Math Teachers, Provision of STARBOOKS and Laboratory Apparatus throughout the Bangsamoro region.
2. With that, the MOST's Provincial Science and Technology Center (PSTC) will conduct a Capacity Needs Assessment (CNA) to the selected Institutions in their area of responsibility to assess the schools' needs in science teaching-learning process. To further strengthen this initiative, the Regional Technical Evaluation Committee (REC) will join the PST's personnel in each province to assess and validate the situation of the current science laboratory apparatus of the schools in the BARMM region.
3. Therefore, all selected schools in the attached list of target schools with their schedules in each province are hereby directed to participate and provide the corresponding assistance in the implementation of the abovementioned program.
4. Should you have any inquiries regarding this matter, you may contact Ms. Nurhuda U. Abdullah at her mobile number 0936-058-4687, and email address at scied.mostbarmm@gmail.com.
5. For compliance.
