1. The Ministry of Basic, Higher and Technical Education's (MBHTE) flagship program on education access, the Abot-Kaalaman sa Pamilyang (AKAP) Bangsamoro Program, is continuously engaging with its partners in ensuring the delivery of accessible and quality education to the Bangsamoro learners.
2. In preparation for the School Year (SY) 2023-2024, the AKAP Bangsamoro Program needs to prepare the full implementation of K-3 operations from Kindergarten to Grade 3 in the 106 barangays under the said program. The 6,909 learners who have completed the academic requirements for the SY 2022-2023 are expected to move to higher grade levels for SY 2023-2024. One of the approaches that AKAP stakeholders are considering for the 106 AKAP learning centers is the use of multigrade instruction.
3. With this, a **Multigrade Orientation and Planning** will be organized for the regional and division Technical Working Groups and with selected catchment school heads on August 22-26, 2023 (inclusive of travel dates) in Zamboanga City.
4. The activity aims to:
 - a. strengthen their capacities on multigrade;
 - b. plan appropriately on the context of AKAP on using a multigrade approach;
