### **3<sup>rd</sup> Pause and Reflect Session**

#### ***Organization, Management, and Delivery of Social Mobilization and Mobile COVID-19 Vaccination Services in the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM)***

**Oct 3, 2023 | 9:00 AM – 12:00 NN**

**Venue: MPH Auditorium, MPH Maguindanao**

#### **RATIONALE:**

The project aims to complement with the government effort to significantly contribute to the Covid-19 vaccination coverage through the augmentation of human resource of the Integrated Provincial Health Office (IPHO) of Maguindanao (IPHO Maguindanao) to reach the poorest, isolated, high level conflict areas and disadvantage communities in providing accessible vaccination sites to these areas. These include high-volume areas such as schools, government offices, malls and the like. Ensuring vaccination is convenient and readily accessible to the general population. USAID ReachHealth/ RTI International is partnering with Mindanao Organization for Social and Economic Progress (MOSEP) to localize the intervention and approach.

To guarantee herd immunity to the community, MOSEP has been working with various stakeholders in Maguindanao del Norte and Maguindanao del Sur adopting a whole-of-government approach through collaborative partnerships to ensure effective and efficient delivery of Covid-19 vaccination integrated with the routine immunization program.

#### **OBJECTIVES:**

At the end of the 3<sup>rd</sup> Pause and Reflect, the stakeholders will have:

4. Identify ways forward for both IPHO, RHU, MOSEP, recommendations for programs and strategies that USAID/RTI can engaged on post project exit;
