SUBJECT : **TRAINING ON THE PRE-PILOT IMPLEMENTATION OF MEDUCATION FOR
DIVISION MATH SUPERVISORS/FIELD COORDINATORS, SCHOOL
HEADS, AND TEACHERS**

DATE : November 6, 2023

1. Given the vast global evidence of the learning loss during the pandemic and further deepening the learning gaps that already exist in the Bangsamoro Autonomous Region, the Ministry of Basic, Higher and Technical Education (MBHTE), through the office of its Directorate General for Basic Education (DGBE), developed the *5 Bs Program: Bawat Bata sa Bangsamoro, Bumabasa at Bumibilang* in May 2022 as a learning recovery strategy that aims to Reach Every Child and strengthen Kindergarten to Grade 12 learners in the region to form the necessary foundations in literacy, numeracy, and socio-emotional learning and the development of skills for everyday life.
2. With this, the MBHTE's DGBE shall conduct a **Training on the Pre-Pilot Implementation of mEducation in BARMM for the Division Math Supervisors/Field Coordinators, School Heads, and Teachers on November 15-16, 2023 in Cotabato City** (specific venue shall be communicated to participants once finalized). This is in collaboration with the Innovations for Poverty Action (IPA) Philippines which will reinforce the ministry's initiative on the Catch-Up Learning Recovery program focusing on numeracy. mEducation is a phone-based Math intervention program that delivers simple and targeted Math instruction to learners. The program focuses on learning the four (4) basic Math operations to help improve learners' numeracy skills.
3. The training intends to achieve the following objectives:
 - a. Orient Division Math Supervisors/Field Coordinators, School Head, and Teachers on the implementation of mEducation
 - b. Train on the Program phone call scripts in SurveyCTO as well as the set-up monitoring system and protocols
