REGIONAL MEMORANDUM

No. 906
Series of 2023

TO : **ABDULLAH P. SALIK, JR**, Director General for Basic Education
JOHNNY G. BALAWAG, Director, Bureau of Basic Education
YUL ADELFO V. OLAYA, Chief, Curriculum and Instructions Division
SCHOOLS DIVISION SUPERINTENDENTS (Basilan, Lamitan City, Sulu, & Tawi-Tawi)
ALL OTHERS CONCERNED

FROM : **MOHAGHER M. IQBAL**
Minister

SUBJECT : **PLANNING OF PROJECT IMPLEMENTATION OF PHILIPPINE FOUNDATION FOR SCIENCE AND TECHNOLOGY (PFST) WITH THE MATH AND SCIENCE SUPERVISORS OF THE ISLAND DIVISIONS IN MBHTE-BARMM**

DATE : November 23, 2023

1. Science and Mathematics are disciplines that are essential pillars of human knowledge and understanding that play crucial roles in improving the quality of human life and society. In the advancement of knowledge, these are fundamentals for expanding learners' understanding of the natural world. They provide answers to queries about the why's, the how's, and the what's of human functions and their environment. Through these subjects, technological advancement is being achieved, since scientific and mathematical principles are the motivating forces behind it. They lead to innovations in fields such as medicine, engineering, information technology, and many others.
2. The Philippine Foundation for Science and Technology (PFST), a private foundation accredited by the Department of Science & Technology (DOST) and certified by the Department of Education, aims to promote science and math education by providing various innovative Science and technology related programs like interactive, hands-on, and experiential exhibits, teachers training, and other science-related activities.
3. With this, the Ministry of Basic, Higher and Technical Education (MBHTE), through its Directorate General for Basic Education (DGBE), will be conducting the **Planning of Project Implementation of PFST with the Math and Science Supervisors for the Island Divisions in the MBHTE-BARMM**, with its DOST-sponsored project dubbed as "STEM on the Go! A Philippine Science Centrum Educational Resources for the Learners in Geographically Isolated, and Disadvantage Areas (GIDA) in BARMM (Basilan, Tawi-Tawi, and Sulu) for the year 2024.

Office of the Minister

4. The activity, which will be conducted on December 6, 2023, at WINN Hotel, Zamboanga City, is in collaboration with the PFST that will become part of the Ministry's Bangsamoro Junior Scientist Program (BJSP) considering the shared goal of promoting STEM education and its career opportunities.
5. The activity aims to:
 - a. discuss and plan the details regarding the project implementation; and
 - b. determine the assigned task of the concerned schools divisions including the venues, schedules of schools, and involvement of stakeholders like the LGUs and others.
6. Transportation, hotel accommodation, and per diem of the participants will be covered by the PFST subject to the standard accounting and auditing procedures. The PFST will also provide the training materials, certificates, and meals of the participants for the duration of the activity (the first meal to be served is dinner on December 5, 2023, and the last meal to be served is lunch on December 7, 2023).
7. Attached is the list of the participants (Annex A) for reference.
8. Should you have concerns or other inquiries, kindly contact Elenita M. Abo, Regional Program Coordinator, DGBE - Curriculum & Instructions Division, at mobile no. 0927-666-7406 and/or Karen Cantos Napili of the PFST at mobile no. 0927-884-2468 or email karencantosnapili@gmail.com.
9. For information, guidance, and compliance.
