FROM :  **MOHAGHER M. IQBAL**

SUBJECT : **FORMULATION OF POLICY GUIDELINES FOR THE IMPLEMENTATION OF PUBLIC MADRASAH CUM STAKEHOLDERS' CONSULTATION**

DATE : May 15, 2024

- One of the important parts of the Bangsamoro Education Code is the establishment of Public Madrasah in the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM). In Section 54, Two Formal Systems in Basic Education. – The Bangsamoro Government shall provide two parallel formal systems in delivering quality basic education – the “Public School System” and the “Public Madrasah System.” Common standards shall govern both systems in matters such as, but not limited to, curriculum and competency, assessment, teachers, textbooks, learning materials, infrastructure, management, and quality assurance.
- The Public Madrasah will teach the Matatag Curriuclum of the National Government and ISAL Subject, emphasizing the Bangsamoro History, Culture, and Tradition. Public madrasahs play a significant role in shaping students' moral and ethical development as they provide a structured environment for the inculcation of values such as compassion, empathy, and social responsibility. By instilling these virtues in students, public madrasahs contribute to the promotion of a more harmonious and cohesive Bangsamoro community.
- Consequently, a formulation of policy guidelines for the implementation of Public Madrasah will be held.
- Having a policy and procedure manual brings numerous advantages to an organization. It ensures consistency in decision-making, promotes compliance with laws and regulations, improves employee performance and accountability, enhances communication and transparency, and helps mitigate risks and conflicts.
