SUBJECT : **TRAINING OF TEACHERS ON THE CONTEXTUALIZATION OF IPED LESSON PLAN FOR GRADE 1**

DATE : September 9, 2024

1. The Bureau of Indigenous Peoples Education (BIPED), under the Office of the Directorate General for Basic Education, has mandated that the Indigenous Peoples in the BARMM shall be provided with an education promoting their distinct cultural identity, integrity, and heritage. Indigenous Peoples Education (IPEd) is a crucial aspect of the inclusive education system that aims to respect and integrate Indigenous knowledge, systems, and practices (IKSPs) into the formal educational framework.
2. To effectively implement IPEd, teachers must have the necessary skills and knowledge to deliver quality teaching. Part of delivering quality teaching is for the teachers to develop and deliver contextualized lesson plans. The BIPED shall be conducting a **2-day Training for IPED teachers on the contextualization of the Lesson Plan for Grade 1** on **October 11-12, 2024** in Cotabato City (specific venue shall be communicated directly to participants once finalized).
3. The training aims to:
 - a. provide Grade 1 teachers with the tools and understanding needed to create and implement IPEd lesson plans, thereby promoting a more inclusive and culturally responsive educational environment;
 - b. enhance teachers' understanding of IPEd and its importance in the curriculum;
 - c. develop teachers' skills in creating contextualized lesson plans that integrate Indigenous knowledge and cultural practices;
 - d. provide a platform for teachers to share experiences and best practices in the implementation of the IPEd program; and
 - e. ensure that teachers are prepared to deliver culturally relevant and responsive education to Grade 1 learners.
